Just found out my RV won't be ready to go until sometime next week. My wife wants to spend 7 days with the grandkids...so that means pushing our trip back into the first week of December...or me sleeping for quite awhile in the RV by myself. Anyway to push the meeting into the second week???? I'll call you later this morning.

Thanx,
Darrel

...also, December 3 is not good for morning and travel time. December 4 and 5 still good but need to set it fast...4th better than 5th.

Redacted non responsive

Not really wanting to participate in the meeting. I will plan on taking William Carr to answer SRF questions and will answer any questions they might have regarding the city working directly with KDHE including negotiation of a consent order if the city chooses to work with KDHE.

Prepare to have a couple of state legislators in attendance. [REDACTED]

Ok...so when we talk about enforcement, does KDHE want EPA to portray that the system has an option to sign a Consent Order with EPA or KDHE?

We really could use some help with the discussion of SRF, which is out of my league.

Uh, no thank you. I will be attending in a listening capacity only. This one is all EPA's baby.

Haven't heard back yet whether it will be Dec 3 or 4. My understanding was that it would be EPA, KDHE, the city council and utilities staff. I'll confirm with Patti when I hear back.

Also, since EPA requested the meeting, I've been working on an agenda. Would you be willing to chime in for the Introduction and speak about SRF? Here's what I have so far, very much in DRAFT...

Certainly open to suggestions on an agenda.

One other thing - we should probably talk about the Pretty Prairie meeting as well.
